MEMORANDUM FOR MR. FARLEY, ACDA

SUBJECT: ACDA ☐ Verification Studies

This is in response to your letter of May 19, 1971, ☐ I appreciate your response to our concern over the control of the distribution of the ☐ Verification Studies, and I believe that the mechanism which you have established fully meets the need. I agree that we need to continue to work together to insure that the data in your studies are maintained current with actual system characteristics.

In your letter you mentioned that you are tasking ☐ to study the applicability of using ☐ for verification of possible arms control measures. We will be pleased to brief you on our development efforts in this area and your contacts may be handled directly with the NRO Staff.

☐
